

“65th Proud to be Siam Motors Group” supporting of education for Thai students

The “Phornprapha” family emphasize that education is important to young generation, which are a major key to success of the nation, by supporting of education for Thai students to return the benefit to the society in a form of “giving” a great education.

Siam Motors 2017 Scholarships by the “Phornprapha” family under the concept of “65th Proud to be Siam Motors Group” continues to walk alongside the Thai society and still emphasize to the education of the descendants of Siam Motors Group’s employees. The scholarships, sponsored by the Thaworn – Usa Phornprapha Foundation, Siam Motors Co., Ltd. and the President, Dr. Phornthep Phornprapha, are offered each year to the students because they a great power for the development of the country. Those scholarships are given to students with good grades in every tier of education; primary to undergraduate level from several schools and institutes. This year, there are 262 scholarships amounting to Baht 2,130,000. In addition, the 3-year-continuing scholarships are providing to 7 automotive engineering students of AUTO-TU of Thammasat University, Baht 450,000 for each, totaling Baht 3,150,000 sponsored by Siam Motors Group which are Nittan (Thailand), BOSCH Automotive (Thailand), NSK Bearing Manufacturing (Thailand), Bangkok Komatsu, and Hitachi Elevator (Thailand).

Above all, Siam Motors Group is ready to “give” and “pay attention” to the education which is the most important factor to encourage the good students to be the great young generation. The scholarships have been giving to the grants for more than 44 years which 5,794 scholarships have been granted in the past 10 years, totaling approximately Baht 33,790,570. And we strongly believe that those students will contribute their knowledge and abilities to develop the country in the future.
